FRESH, LOCAL INGREDIENTS

We invest millions into Kentucky farms and businesses each year, sourcing over **50 local ingredients and products** to nourish you and our local community.

From pulled pork to potatoes and peppers to popcorn, locally sourced ingredients are served across various stations in our dining halls. The Local Slice pizza station, Toss Up salad bar, and Simmer soup station are designed to feature local ingredients every day.

ACE YOUR APPETITE

UK Dining provides you with the tools you need to thrive - delivering well-balanced nutrition, specialized diet options, and a student-focused culture built on your feedback and satisfaction.

ALL-YOU-CARE-TO-EAT

Fresh Food Company & Champions Kitchen serve only the best in variety and value, from comfort foods and plant-forward favorites to international cuisine and original creations.

Enjoy as much or as little as you like!

PLANT-BASED DIETS

Vegan & Vegetarian options are available at multiple locations across campus. Find our Vegan & Vegetarian guide linked in the QR code on the front.

ALLERGIES & DIETARY SUPPORT

We work to accommodate students with dietary restrictions due to allergies or intolerances. Please contact our dietitian at diningdietitian@lsv.uky.edu to learn more about dining options that fit your needs.

Both of our dining halls have "True Balance" stations specifically dedicated to serving meals made without the 9 major food allergens.

Our team of culinary experts, led by our Executive Chef, is dedicated to delivering well-balanced nutrition and on-trend menus that satisfy.

CHEFS WHO CARE

Choose LESS STRESS

Classes can be demanding, but getting the fuel you need to Feed Your Possibilities shouldn't be. Having a meal plan is the most convenient way to do just that.

SAVE TIME & MONEY

Take wasted groceries, cooking, and washing dishes out of the equation. Get meals made your way only a short walk from your classes or residence halls.

EATING ON-THE-GO

Take a hot meal to-go from the dining halls with a reusable Green-2-Go container.

Our convenient Wildcat Pantry's offer fresh grab-n-go sandwiches, coffee, snacks, and anything else you might need in a pinch.

GRUBHUB & ROBOT DELIVERY

Skip the line at places like Starbucks by ordering ahead in the Grubhub app or have your food delivered by our famous Starship robots.
